On the cover: "2nd Next Door Neighbor"

©Reginald Baylor, 2006. 56" x 42", acrylic on canvas.

"Am I inspired that we've navigated in, through, and out of abandonment with sophisticated realms of everywhere else?"

"Should I be concerned that I'm motivated by the visual strength given from the standing forests of 'man made' that seem to always overwhelm the abundance of what truly is possible and impossible?"

"Because of this and that, I see nouns and I work."

The Wisconsin Art & Craft Fairs Directory is a comprehensive listing of art and craft fairs held throughout the state. The Wisconsin Arts Board has published this directory annually since 1976 as a governmental service to artists, arts organizations and the general public.

The directory, available free of charge, lists fairs chronologically and contains indexes by city and county. Each event listing provides both general information for the public and specific requirements for potential art and craft exhibitors.

The events listed within this directory are also posted on the Wisconsin Arts Board's website at www.artsboard.wisconsin.gov and the Portal Wisconsin website at www.portalwisconsin.org.

Whether an artist or an arts enthusiast, the Arts Board hopes that you will find the Wisconsin Art & Craft Fairs Directory a valuable resource.

Thank you for your interest and support of the Wisconsin Arts Board. We hope you are able to enjoy a number of the quality art and craft fairs that you will find in Wisconsin.

Advertising a Fair

All art and craft fairs held in the state of Wisconsin and open to the general public are eligible for inclusion in this directory. In order to be included in the directory, event sponsors must submit both an application and a listing fee to the Wisconsin Arts Board. (Listing fees currently range from \$25-\$250 and are calculated according to a formula provided on our website at www.artsboard.wisconsin.gov)

Applications may be submitted online in the months of September and October. To be notified when the application is available, contact the Wisconsin Arts Board and have your email address added to the mailing list.

The Wisconsin Art & Craft Fairs Directory is not a juried list, nor does it represent an Arts Board approved list. Information included is obtained directly from fair sponsors.

Key to Directory Codes/Terms

Most of the terms used within this directory are self-explanatory; a few, however, require some elaboration. Others yet, have been assigned numbers to conserve space within the listing. We hope the following definitions provide all the details you need.

For Further Details About a Listing

From time to time, after publication of this directory, sponsors may change fair dates, times, locales or even cancel a fair. The Wisconsin Arts Board is unaware of these changes and has no further information about the fairs than what is listed in this directory. If you want to confirm information provided or require additional information about any of the art/craft fairs, please call, write, or email the contact person listed for the particular fair.
