ART SCHOOLS IN WISCONSIN

DONALD S. ABRAMS

TRAVELWISCONSIN.COM

The pristine beauty of Wisconsin continues to serve as inspiration and muse to over 3,000 Wisconsin artists. Whether it's the rustic environment of the Northwoods or the rolling hills of southern Dane County, Wisconsin's landscape captivates an artist's eye. Should a desire to experience the artistic process first-hand awaken in you, one of the many schools found in Wisconsin can answer this call. Retreat and immerse yourself in the creative spirit with one of these options.

Dillman's Creative Arts Foundation, Lac du Flambeau: Dillman's three state-of-the-art studios host internationally known instructors. Expansive programs range from painting in encaustic, oil, or acrylic, pastel, to photography, quilting, and writing. www.dillmans.com

Bjorklunden - Lawrence University Seminar Center, Baileys Harbor: Bequeathed to Lawrence University in 1963, Bjorklunden vid Sjön (Birch Forest by the Water), a 425-acre estate on Lake Michigan, offers extensive adult-education seminars from Shakespeare's poetry to watercolor to music. www.lawrence.edu

Peninsula School of Art, Fish Creek: For over 45 years, Peninsula School of Art has been a year-round destination for artists and art enthusiasts of all ages and levels. Programs include painting, drawing, metal arts, ceramics, sculpture and photography. www.peninsulaschoolofart.com

The Clearing Folk School, Ellison Bay: Believing that one's own regional ecology and culture is fundamental, Jens Jensen founded The Clearing as a place where instruction is non-competitive. Their folk school is a unique place where adults who share an interest in nature, arts or humanities can learn, reflect and wonder. www.theclearing.org

Washington Island Art and Nature Center: A 1904 schoolhouse serves as the Art & Nature Center (ANC). Whether hosting lectures on nature, or children's workshops in origami, ANC is devoted to the preservation and promotion of the creative arts and natural history of Washington Island. www.wianc.org

Madeline Island School of the Arts, La Pointe: A restored dairy farm surrounded by Lake Superior is home to one of the country's premier art and craft schools, Madeline Island School of the Arts. Accessible only by ferry, boat, plane, wind sled or car (when the lake is frozen), classes in painting, quilting, writing, photography are offered for college credit. www.madelineartschool.com

Shake Rag Alley School of Arts & Crafts, Mineral Point: Shake Rag Alley's list of classes entices youth and adult of all skill levels. With over 200 offerings, this school is always busy. Whether it's a half-day class or full week retreat, spots fill up fast so advanced planning is encouraged. www.shakeragalley.com

Whispering Woodlands, Verona: One woman's vision and dream became a school hosting local professional artists as instructors. View their work then learn their techniques in workshops ranging from fiber arts to encaustic. www.whispering-woodlands.com

Dr. Evermor's Forevertron, Baraboo: Taking salvaged factory parts, Tom "Dr. Evermor" Every fashioned sculptures that evoke both the natural world and scenes out of Star Wars. worldofdrevermor.com

Grandview, Hollandale: Austro-Hungarian immigrant Nick Engelbert converted his home into a concrete palace, surrounding it with sculptures reflecting his heritage and sense of humor. nicksgrandview.com

James Tellen Woodland Sculpture Garden, Sheboygan: Former furniture factory worker James Tellen turned his summer cottage into a sculpture garden of prairie settlers, Native Americans and woodland creatures. kohlerfoundation.org

Jurustic Park, Marshfield: Claude Wynia's array of junkyard creatures boasts more than 250 sculptures, from six-inch spiders to 45-foot dragons. jurustic.com

Paul and Matilda Wegner Grotto, Cataract: German immigrants Paul and Matilda Wegner constructed this rustic sculpture garden, known for its "Glass Church," using concrete and shards of glass. monroecountyhistory.org/wegnergrotto.php

Prairie Moon Sculpture, Cochrane: Herman Rusch was in his 70s when he made his first sculpture in 1959, and his work grew to include dinosaurs, a snake, castle tower, Hindu temple, rocket and self-portrait. kohlerfoundation.org

Rudolph Grotto Gardens and Wonder Cave, Rudolph: Fashioned by Father Philip J. Wagner and Edmund Rybicki as a shrine to the Blessed Mother, this maze of walkways offers a series of biblically inspired scenes and proverbs. mnmuseumofthems.org/Grotto/Wonder1.html

Rudy Rotter Museum of Sculpture, Manitowoc: Called the most prolific artist in Wisconsin history, Rudy Rotter created an estimated 16,000 works of art over a 45-year period, most of which are displayed here. rudyrotter.com

THE ART OF UPCYCLING

UPCYCLED ART BY ANNIKA BAYER, AMY BAYER AND CHELSEA DEWALL

Before you throw out a ripped shirt, old sheet music, or a broken bike lock, stop and think about the possibilities. The Art of Upcycling is all about redesigning, re-imagining and repurposing items that would otherwise be thrown out. Maybe there are ways to create a purse out of the shirt, wrapping paper from the sheet music, or a sculpture from the lock.

We live in a state that is rich in natural resources and promotes environmental-friendly communities. Upcycling is a unique and artistic way to preserve our resources by converting discarded materials into higher quality products like sculptures, jewelry, and clothing. Not to mention the added incentive of a positive environmental impact – items that would otherwise be tossed in landfills are recreated into useful products.

Upcycling has been on the craft fair scene for decades as old paint tins are cut into petals for floral yard art and neckties are being sewn together to create skirts. Boutiques and shops have started specializing in upcycled goods that rival the quality of department stores but with an advantage of being one-of-a-kind, and as an added bonus they're better for the environment!
