Welcome to the Wisconsin State Park System!

As Governor, I am proud to welcome you to enjoy one of Wisconsin’s most cherished resources—our state parks. From the waterfalls of Pattison State Park to the beaches of Kohler-Andrae State Park to the vistas of Wyalusing State Park, Wisconsin is blessed with a wealth of great natural beauty. These are just a few of the images of Wisconsin’s fantastic natural resources captured and preserved for over a century through the Wisconsin State Park System.

We have balanced public access with resource conservation and created a state park system that today stands as one of the finest in the nation. We’re proud of our state parks and trails, and the many possibilities they offer families who want to camp, hike, swim or simply relax in Wisconsin’s great outdoors. For years, my wife, Tonette, and our family have taken advantage of the recreational opportunities available at our state parks and created lifelong memories.

More than 14 million people visit one of our state park properties each year. With more than 100 locations statewide, a connection to the woods, waters and prairies of Wisconsin is always close at hand.

I invite you to enjoy our great parks and join us in caring for the land. Use this guide as your starting place to create a memorable outdoors experience in our state.

Sincerely,

Scott Walker
Governor
Fees, Reservations & General Information

Admission Stickers
A vehicle admission sticker is required on all motor vehicles stopping in state park properties. At each park you may purchase either an annual sticker, for admission to all state parks, forests and recreation areas for the calendar year; or a daily sticker, valid only on the date of issue. One-hour stickers are available at most locations.

Wisconsin Vehicle Admission Sticker Rates*
Wisconsin registration plates – $25 annually, $7 daily, $5 one-hour; WI Senior Citizen (65 and older) with Wisconsin registration plates – $10 annually, $3 daily; registration plates from other states – $35 annually, $10 daily, $5 one-hour.

Visit wiparks.net for more information.

Camping Reservations
Reservations are available for outdoor group, family, and backpack campsites by calling our toll-free reservation number 888-WI-PARKS (888-947-2757, 800-274-7275 TTY) or visiting our Web site wiparks.net. Campers may make site-specific reservations up to 11 months in advance. A non-refundable reservation fee of $10 or less will be charged in addition to camping fees. Please have your major credit card ready when you place your call. (Checks accepted upon request.)

Non-reservable campsites are available at many parks on a first-come, first-served basis. For more information contact the park of your choice or visit wiparks.net.

Camping Fees*
Residents – $10-15/night; Nonresidents – $12-17/night. Sites with electricity $5/might extra. Vehicle admission stickers are also required.

Occupancy rule
Campers who do not check in and occupy their reserved site before 3 p.m. the day after the scheduled arrival date will forfeit the site.

Campsiders on first-come, first-served sites must occupy the site the first night and any consecutive nights for which they have registered.

Firewood Rule
Wisconsin has rules about transporting firewood – for the latest details, make sure you consult dnr.wi.gov/invasives/firewood/. These rules are intended to stop the spread of forest pests and diseases that are transported in firewood. Firewood from sources approved by the department of agriculture, trade and consumer protection is allowable. Wood that does not meet these criteria may be confiscated and destroyed. The person possessing such firewood may be subject to a citation.

State Trail Pass*
A trail pass is required for all individuals age 16 or older who are biking, horseback riding, in-line skating or cross-country skiing on certain designated trails. (A trail pass is not required for hiking or walking.) An annual trail pass costs $20; a daily pass is $4. A dollar sign ($) next to the trail mileage on the chart in this brochure indicates trails that require the pass.

Carry in – Carry out
In an effort to reduce, reuse and recycle, visitors to our picnic areas, shelters, beaches and other day-use areas are encouraged to pack reusable items and required to take garbage and recyclables home. It’s good for us and it’s good for our earth.

Pets
Pets are welcome in Wisconsin State Parks when on a leash and under control. For the protection of wildlife and visitors, pets are not allowed in picnic areas, buildings, on the beach or on nature trails. Other restrictions may apply. Please check the park office for specifics.

State Park System Friends Groups
More than 70 friends groups provide volunteer help and raise funds for state parks, forests, recreation areas and trails. A statewide organization, Friends of Wisconsin State Parks (fwp.org) supports local friends groups and raises private funds for state park system enhancement and preservation.

Nature Programs
Many Wisconsin state parks have nature centers with exhibits on the natural and cultural history of the region, audio/visual presentations and guest speakers. Others offer guided nature hikes, self-guided nature trails, informal campfire programs and special events.

For more information contact Friends of Wisconsin State Parks, P.O. Box 2271, Madison, WI 53701-2271.

For Your Safety
Outdoor recreational opportunities and conditions vary greatly from park to park. Information specific to each property is available in park offices and park publications, and posted in public areas. Enjoy your visit to Wisconsin State Parks – please be safe, be careful and act responsibly.

Travel Green Wisconsin

Tourism in Wisconsin would be nowhere without our diverse and beautiful natural resources – the state’s scenic lakes, streams, bluffs, forests, prairies and the wildlife that inhabit them. As a State we are committed to preserving this pristine natural product for you and generations to come.

Tourism here also means enjoying the hard work of countless Wisconsinites who have created unique and wonderful places to stay, eat and explore. Travel Green Wisconsin is a Wisconsin Department of Tourism program that certifies tourism businesses who have taken the additional step to invest in sustainability. We invite you to join us in celebrating this commitment by frequenting these businesses.

The Department of Tourism is also a proud partner of the Wisconsin Department of Natural Resources. Many of the parks, trails, forests and recreation areas listed in this publication have been, or are in the process of becoming Travel Green Wisconsin certified.

Look for the Travel Green Wisconsin seal in this guide, online and as you’re out and about. When you travel Wisconsin, travel green Wisconsin.

For more information about Travel Green Wisconsin, visit TravelWisconsin.com

The Wisconsin State Park System properties listed in this booklet are literally surrounded by a broader tourism industry offering fun for everyone – in every corner of the state. To find that fun, visit TravelWisconsin.com
